2013 Career Day

Eugene | April 26 | 9:00 a.m.–3:00 p.m.

What path will your future take? Join four public accounting and business consulting firms as we open our doors and discuss career opportunities both locally and regionally. You'll get a glimpse of what to expect from an internship. Gain insight into the life of a first-year staff accountant. Meet professionals at all levels. Learn about current financial issues. And get advice on how to land that perfect job.

We'll provide continental breakfast and lunch. All you need to do is dress in business-casual attire and bring an interest in learning more about a career in professional services.

Registration is open to students who will be CPA-eligible between December 2014 and August 2015. To secure your spot and get more details about the event, e-mail your résumé to jessica.auxier@mossadams.com.
