Accountant

Portland, OR

We are recruiting Accounting students to join our team full-time post-graduation in Jan. 2014 or spring 2014

Cambia's Financial Accounting Services is dedicated to providing world class financial services through excellence in people, process and technology. Join this dynamic team and gain real-world accounting experience.

Responsibilities will include a variety of general, cash management/treasury or cost accounting activities and functions such as financial statement preparation, account, bank and report reconciliations and analysis, development of desktop procedures, and participation in the development, maintenance and analysis of Company budgets, forecasts, cost data and operating plans.

Combine your education and analytical ability with the following skills to meet the position qualifications:

- Preference will be given to current students scheduled to graduate in the next nine months
- Strong working knowledge of Microsoft Office BS/BA degree in Accounting, Finance or Business with zero to two years of relevant experience or equivalent combination of education and experience. CPA, CMA or MBA preferred
- Demonstrated application of accounting knowledge in the following areas:
 - Financial Reporting and General Accounting:
 - * Generally Accepted Accounting Principles (GAAP), Statutory Accounting Principles (SAP) for Health Care Service Contractors and Health Maintenance Organizations as promulgated by the NAIC
- Thorough knowledge of PC and mainframe software and systems as currently used by the Company
- Ability to think analytically and to make sound judgments from analysis
- Ability to communicate effectively, verbally and in writing, with all levels in the work force
- Ability to plan and organize own work
- Ability to work flexible hours during periods of heavy workloads

To be considered for this position, please apply online to job # 721869 by noon Saturday, October 12, 2013:
