# GPS OPERATIONAL INTERNSHIP

➤ Summer 2017

## Set Your Career in Motion

Take your first step into public accounting. Moss Adams LLP is currently seeking students for our **Guide, Pilot, Steer (GPS)** internship.

As a GPS intern, you'll lay the groundwork for a career in public accounting, gaining insight on everything from how we staff our teams to how we handle client documents. It's designed for students who are a year away from a traditional public accounting internship and want to begin building a foundation in public accounting.

During the internship, you'll rotate through several departments, which could include:

- Our people team (human resources)
- Sales and marketing
- Tax compiling
- Word processing
- Resource management (scheduling)
- Shared services (accounts and billing)
- Administration

You'll learn about Moss Adams through a variety of training events, projects that expose you to our operations, personalized career coaching, and networking.

And your GPS internship is only the beginning. Afterward, you may be offered a spot in our summer leadership program or a client service internship.

## ELIGIBILITY

We're seeking the best and brightest for this internship. In addition to demonstrating a **strong commitment to diversity** within their school or community, applicants must be:

- Enrolled as a freshman, sophomore, or junior in a bachelor's degree program
- Interested in pursuing an accounting degree and a career in public accounting
- Excellent with communication and interpersonal skills, including customer- or client-service skills
- Proficient in Microsoft Office
- Skilled in creative problem solving and research
- Able to work effectively both as part of a team and independently
- Highly motivated and able to take initiative
- Legally authorized to work in the United States on a full-time basis upon hire. Note that Moss Adams won't provide sponsorship, now or in the future, for candidates who require it for employment visa status (for example, H-1B status).
